## INTRODUCTION

In connection with the implementation of the Dematerialization of shares in physical (certificated) form issued by the Company, as required under Financial Services Authority Regulation No. 9 of 2025 ("POJK No. 9/2025"), which came into effect on May 6, 2025, Article 3 stipulates that a Public Company is required to issue evidence of share ownership in scripless form. Furthermore, Article 4 stipulates that Public Companies and shareholders holding shares in physical form or Collective Share Certificates ("CSC") are required to carry out the Dematerialization of their respective shareholdings.

Accordingly, the Company will implement the Dematerialization of its shares and hereby announces to all shareholders holding shares in physical form or represented by CSC to update their shareholder information and return their CSC to the Securities Administration Bureau ("SAB") administering the Company's shares, for conversion into scripless shares and placement into a Custody Account.

**Restrictions on Shares in Physical Form Represented by CSC**

Pursuant to Article 13 of POJK No. 9/2025, following the expiration of the Dematerialization period, shares in physical form represented by CSC that have not undergone the Dematerialization process may not be traded, either on or off the stock exchange, until the relevant shareholders have completed the Dematerialization process for their physical share certificates.

## DETERMINATION OF SHARE STATUS AS UNCLAIMED ASSETS IN THE CAPITAL MARKET

Following the expiration of the Dematerialization period, any equity securities in physical form for which shareholder information has not been updated with the SAB will be classified as Unclaimed Shares.

Shareholders shall retain the right to submit claims of ownership of such shares through the Securities Administration Bureau for a maximum period of five (5) years following the expiration of the Dematerialization period.

**ADMINISTRATION AND RECORDING OF THE STATUS OF UNCLAIMED SHARES**

1. The SAB will transfer the shares held by shareholders in physical form represented by CSC who have not completed the Dematerialization process. Such physical shares, once declared as unclaimed shares ("Unclaimed Assets") pursuant to POJK No. 9/2025, will be deposited into a Custody Account administered by a party appointed by OJK.

2. As of the date on which the shares are transferred to the Unclaimed Assets category and deposited into the Custody Account under the name of the party appointed by OJK, all corresponding CSC shall be declared invalid, and the shares shall be registered under the name of the party appointed by OJK in the Custody Account.

**PROCEDURES FOR CLAIMING SHARES CLASSIFIED AS UNCLAIMED ASSETS**

1. Shareholders whose shares have been transferred and placed under the management of a Custody Account may subsequently submit a claim of ownership within the applicable period for claiming shares from the Custody Account for Unclaimed Shares, commencing from May 6, 2035, until May 6, 2065, through the aforementioned SAB office.

2. The SAB will conduct verification of share ownership by examining the validity of the share ownership documents, including the CSC still held by the shareholders, on each business day from 09:00 a.m. to 03:00 p.m. Western Indonesia Time (WIB).
